

New Dundee Fireworks

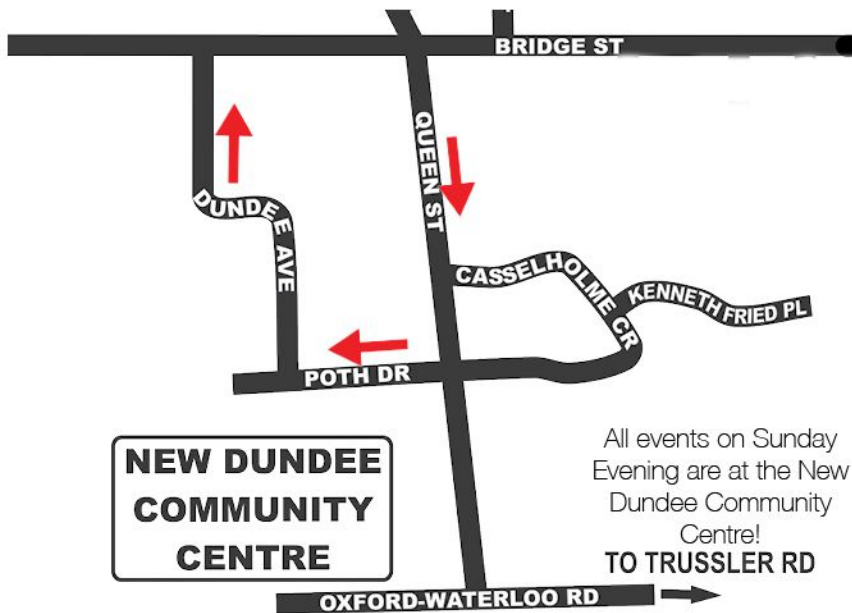

**It's that time of year again and we're in gear
for our 7th annual Victoria Day Fireworks!**

We would like to thank each and every one of you for your continued support of our initiative to keep this wonderful, community event going. We've been grateful for the many hands that make this possible.

WHY THE CHANGE?

With the Fireworks happening on Sunday night instead of Monday night we hope to allow the opportunity for more families and their children to be able to join us to create long lasting memories and new traditions.

Sunday evening will feature various activities from 5pm until dusk for the entire town to enjoy. Activities include rides for all ages, bbq, live music, a beer garden and of course the fireworks!

Sunday May 20th - Important Message:

Signage and barriers will be in place directing traffic southbound only on Queen St., westbound only on Poth Dr. and northbound only on Dundee Ave. During the Fireworks display, Queen St (Poth Dr to Oxford Waterloo Rd) Oxford Waterloo Rd (Queen St to Blenheim Rd) will be temporarily closed for the safety of our viewing pleasure.

SPREAD THE WORD: SUNDAY MAY 20th

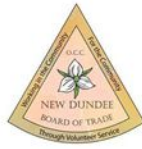

We will be starting door to door
canvassing the week of May 9th!
